

ELPS UPDATED ISOLATION AND QUARANTINE Protocols (6/2/22)
Please see full updated protocols on the district webpage under
Health Services Link

If you Test Positive for COVID-19 (Isolate):

Everyone, regardless of vaccination status.						<ul style="list-style-type: none"> Stay home for 5 days. If you have no symptoms or your symptoms are resolving after 5 days, you can return to school on Day 6 Continue to wear a mask around others for 5 additional days. <p><i>If you have a fever, continue to stay home until your fever resolves.</i></p>					
Day 0	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7	Day 8	Day 9	Day 10	Day 11
Onset of symptoms or + test date	Stay home	Stay home	Stay home	Stay home	Stay home	Return to school. Wear a Mask	*Wear a mask	Wear a mask	Wear a mask	Wear a mask	Return to normal activities

***If a student has tested positive for Covid-19, but unable to wear a mask consistently and appropriately, **the student will need to stay home for 10 days & may return to school on Day 11.** However, **if a child tests negative on Day 5**, he/she may return on **Day 6, unmasked**, provided the school nurse receives proof of the negative test.**

Close Contacts Exempt from testing & quarantine protocols

If you: Have been boosted OR Completed the primary series of Pfizer or Moderna, 2wks after 2nd vaccine OR Completed the primary series of J&J vaccine and 2 wks after the vaccine OR Had Covid within the past 90 days and asymptomatic						<ul style="list-style-type: none"> Strongly Recommend wearing a mask around others for 10 days. Test on day 5, if possible. <p><i>If you develop symptoms, get a test and stay home.</i></p>					
Day 0	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7	Day 8	Day 9	Day 10	Day 11

Exposure date	Wear a mask	Wear a mask	Wear a mask	Wear a mask	Wear a mask	Wear a mask	Wear a mask	Wear a mask	Wear a mask	Wear a mask	Return to normal activity
---------------	-------------	-------------	-------------	-------------	-------------	-------------	-------------	-------------	-------------	-------------	---------------------------

Unvaccinated individuals with or without symptoms that are exposed to a Covid-19 positive individual.

- Unvaccinated individuals who can isolate (separate bathroom, separate meals and separate bedroom) from the positive individual, must quarantine for 5 days from the date of **last** exposure and get tested.
- This individual may Return to School: **Day 6**, if he/she remains asymptomatic, monitors for symptoms daily, **strongly encouraged** to wear a mask for 5 additional days. Best practice is to get an antigen or PCR test.; however, a home test may be self-administered and results reported to the school nurse before returning to school.

Day 0	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7	Day 8	Day 9	Day 10	Day 11
Exposure date	Stay Home	Stay Home	Stay Home	Stay Home	Stay Home- Get tested	Return Wear a mask	Wear a mask	Wear a mask	Wear a mask	Wear a mask	Return to normal activity

Students & Staff that have symptoms, whether vaccinated or not, may return to school if the following protocol is followed. Staff or Students that have consented to a BinaxNow Symptomatic Testing, may be tested in the healthroom. If results are negative and the individual is well enough to stay in school, he/she may return to class.

Symptomatic testing will end on June 16, 2022.

Return to school if:

- Receive a negative PCR, molecular rapid test , an antigen test or a home test result for Covid-19. Report results to the school nurse.
- Medical professional makes an alternative diagnosis and provides a note
- Have improvement in symptoms
- Without fever of 100 or greater for 24 hrs without use of medication

Families and Staff that have opted in to receive Home Test kits, should test every Tuesday and report positive results to the school nurse. The final day for Home test distribution will be June 2, 2022 (for families that have consented to opt in.)
